**SUBJECT** Request for Location and Design Approval

**Description and Project Proposal:** The proposed project, Redwine Road Multi-use Path, is located within the 6<sup>th</sup> Land District. This project would connect previously constructed paths along the Redwine Road corridor and provide connectivity to the neighborhoods and schools in the area.

The project consists of a 10-ft wide multi-use path along Redwine Road between Foreston Place and Preserve Place, Segment 1, east side of the road (a distance of 3,600 feet) and a similar multi-use path between New Haven Drive and Birkdale Drive, Segment 2, east side of the road (a distance of 4,300 feet). Segment 2 includes crossing improvements near Quarters Road and Birkdale Drive. The pedestrian facilities will conform to the provisions of the Americans with Disabilities Act (ADA).

**Concept Approval Date:** March 31, 2016.

**Concept Update:** None.

**Environmental Document:**

Document Type: NEPA - Programmatic Categorical Exclusion      Approval Date: 11/17/2016

**Public Involvement:** Fayette County has met one-on-one with multiple Home Owner Associations along the project corridor to discuss the project concept and solicit comments in addition to sending out an email containing project facts and contact information.

**Consistency with Approved Planning:** The design description as presented herein and submitted for approval is consistent with the approved Concept Report.
